The Clarke County Rotary Club will be recognized on Wednesday, October 14th as a 100% Paul Harris Fellow club. During the noon meeting, Area 1 District Governor Ron Napier will be awarding our new Paul Harris Fellows with their pins, certificates, and medallions. For any club to receive this rec-

ognition is an honor. I ask that you mark this important date on your calendar and plan to attend.

This is also the date I would like for our club to have 100% Attendance. One of the items on the list for the "Gold Club Award" is for a club to have 100% Attendance at a meeting or club function.

The "Gold Club Award" is similar to Presidential Citation.

Rotary District Community Project Grants

The District Foundation Grants Subcommittee had the task of considering 40 applications requesting \$75,118 in funding and \$41,025 available to give. The Clarke County Rotary Club applied for two grants.

The first was a grant for a joint project with all of the Area 1 Rotary Clubs. This project—"Rotarians Against Hunger" was awarded a grant in the amount of \$2000. The second grant was for our literacy project—

"First Step to Literacy" and it was not chosen by the grants committee; however, it was chosen as a community project by BB & T Bank. Our Rotary Club and BB&T will be co-sponsors of this project.
